The Aquila Staff is proud to dedicate the 1968 yearbook to Mrs. Anne Johnson in appreciation for all that she has done for us. Because of her pleasant smile and great personality, she has become a favorite of the students and the faculty alike. Her willingness to assist students, faculty, and guests does not go unnoticed. Therefore may we offer this yearbook as our means of recognizing a wonderful friend.

- 25 State Track Meet
- 30 NO SCHOOL!!

### JUNE

- 2 Baccalaureate
- 3 Senior Picnic
- 5 Commencement
- 6 Last day for students
- 7 Teachers Last Day

Ruth and her family, Mr. and Mrs. Lyle Morley and daughters, Lynne and Lynda.

After months of waiting, I finally learned that my application for an American Field Service Scholarship had been accepted and I was going to spend a year with an American family.

When I arrived here, everything was different. My first impressions were the great hospitality in all the people and the beautiful Y.H.S.

The first two weeks, of course, I felt like the "Mad Hatter", running around campus asking everybody where this room or that was.

This year will be unforgettable in my life – unforgettable, because I have had the opportunity to travel, because I am learning new ideas, problems, customs, and different ways of living – unforgettable, because I have met you, "Dear Friends."

While foreign students learn from being here, Americans learn about the student's country, too. I have also learned that people all over the world are much the same. We may speak different languages or have different customs, but our hopes and dreams for the future are the same.

I will never forget my first white Christmas, and all the wonderful gifts I got. I will also never forget my wonderful year at Y.H.S.

I hope to come back and visit here again soon.

I will never be able to properly thank the American Field Service, my family, my friends, and my teachers for this rare opportunity.

Finn Andersen, our Foreign Student from Denmark.

In Denmark I live in a little town called Kalundborg. It has a little over 11,000 inhabitants and is located about 60 miles from Copenhagen on the major one of Denmark's 409 islands. The town was built in 1170 and has always been an important harbor and traffic center. Here I live with my family in an apartment near the water.

My father is in the insurance business and has an office down town. My mother works in this office too, and after school I work there for half an hour or so. I have three older sisters. The youngest is Ida, and she is going to be a teacher. My sister Kirsten has been in New York City for one year, and is now a nurse. My oldest sister Dorte, who has been an AFS student here at YHS is now a teacher and is teaching at Egedesminde, Greenland.

As you know, I am not an AFS student. I am completely on my own. On August 8, 1967 I left Denmark with my parents who drove me to Luxembourg where I caught a plane August 11th. The flight to New York City took 11 hours with one stop in Iceland. From New York I took a bus to Buffalo where my American parents Mr. and Mrs. John Kirk picked me up. It was quite easy to adjust myself to my new home because the difference in customs and ways of living wasn't as big as I had expected. Teenagers and the rock and roll are also very similar to what I know in Denmark. While I have been over here I have grown very fond of the American High School Spirit which I am not familiar with at home. I know I like the food, because I have taken several pounds on and I know too that I will miss the color T.V. I will leave the United States before August 1.

Vonnie Craft, Youngsville's AFS student to Brazil, presenting an assembly to the student body.

Vonnie Craft represented Youngsville High School in the American Field Service in the Abroad Program for 1967.

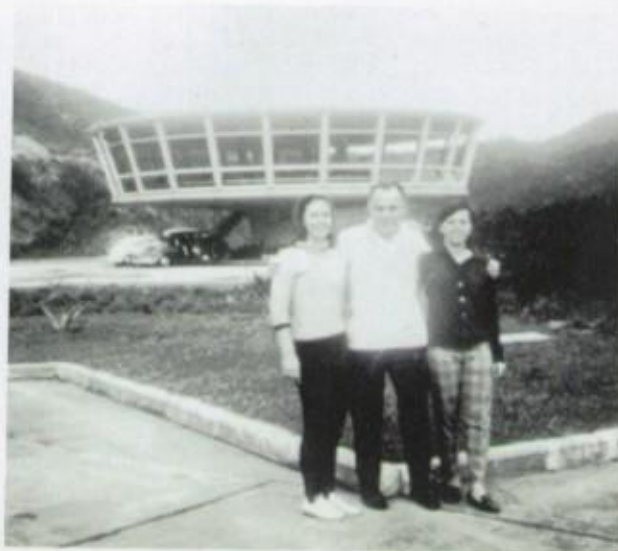

After leaving Miami, Florida on June 20, 1967, she flew to Lima, Peru and then on to Rio de Janeiro, Brazil where she spent three months.

Vonnie lived with the family of Eduardo Costa Vahia de Abreu and had one sister Elizabeth, 17; and a brother Marcos, 21.

The easy going way of life of the "Cariocas" (term applied to those persons born in Rio de Janeiro) and their friendliness impressed Vonnie the most.

Highlights of Vonnie's trip included a trip to São Paulo with a group of A.F.S.ers and a visit to Brasilia, the very new modern and fantastic capitol of Brazil. She returned here to the United States on September 8, 1967.

Vonnie with her Brazilian father and sister

# ADMINISTRATION

TO EACH MEMBER OF THE GRADUATING CLASS OF  
1968 OF THE YOUNGSVILLE HIGH SCHOOL:

Congratulations. The acquisition of your diploma, symbolizing the completion of your public school education, is a convenient bench mark from which will be measured many of the future accomplishments of you and your classmates. The years you have spent under the guidance of teachers and administrators, hopefully, will provide the base upon which you may build a successful and satisfying life. To insure such success you will need to continue your own education throughout the years ahead. It is the belief and hope of your parents, the School Board and staff, and the public who support them that these years in our schools have enabled you to gain the knowledge, attitudes, and skills necessary for conquering the challenges of life. Go forth with our best wishes for success.

T. K. Barratt  
Superintendent of Schools

T. K. BARRATT  
Superintendent of Schools

HOWARD THOMPSON  
Assistant Superintendent of Schools

## *School Board*

## *Directors of Staff*

MR. MATTHEWS

I, on behalf of the Warren County School Board, the central office administrative staff and the faculty of Youngsville High School, would like to congratulate the graduates of the Class of 1968 for successfully completing their education on the High School level. In this day and age the completion of high school should mean that only basic requirements have been met and that all members of the graduating class will continue their education through experience or through schools of higher learning. The lessons taught in high school are intended to provide basic skills, a proper attitude, and, I say this hopefully, a desire to continue in schools of higher learning whether they be in beauty culture, business, technical or college. This world today, fortunately or unfortunately, is becoming one which seems to demand specialists in all areas of endeavor. Good jobs are available for those who are properly trained.

Members of the Class of 1968 have demonstrated a keen desire to think and act for themselves. It is obvious that you are aware of the problems of a restless society and that you want to be prepared to meet these problems which are shortly going to be your areas of concern. I am hopeful that you have learned your lessons well in regard to responsibility, citizenship, understanding and tolerance. I, on behalf of the faculty, would like to leave you with these thoughts and wish each and everyone of you a happy, productive and successful path in the walk of life.

*Delix Matthews*

## ACTIVITIES

Miss Margo Finlan escorted by Rickey Blakeslee

Miss Kathy Dunham escorted by George Nelson

## *May Day 1967*

Miss Vonnie Craft escorted by Todd Briggs

Miss Bonnie Persing escorted by Conrad Danielson

MISS JUDY RAFALSKI, May Queen 1967

Miss Judy Rafalski escorted by Marty Yucha

The Queen and her Court

Miss Connie Chappel, May Queen 1966

*Left to Right: Kathy Dunham, Margo Finlan, Ruth Forest, Connie Chappel, Bonnie Persing, and Judy Rafalski.*

September 30, 1967 was Homecoming Day. Youngsville was host to Sagertown, and Miss Margo Finlan was crowned Homecoming Queen by Miss Connie Chappel, Homecoming Queen 1966. Queen Margo was honored at a dance that evening sponsored by the Cheerleaders and Senior High Student Council.

# H o m e c o m i n g

The Crowning of Margo.

Queen Margo Reigns

# *Junior-Senior Prom*

Highlighting the 66-67 school year was the Jr.-Sr. Prom held May 12. The Gym took on all the splendor of the South Seas as girls in grass skirts served the guests and a volcano flamed and roared in the background. The dancers moved around a genuine sand beach sporting a full sized marooned out-rigger.
